## **BENEFITS OF A MEMBERSHIP IN CIRKUSCENTRUM**

Why should you, as a circus artist, company, producer or student, become or remain a member of Cirkuscentrum?

Cirkuscentrum is a national non-profit member organization and expert body that promotes contemporary circus and supports professionals in the circus field in many ways. Here are the benefits of membership and why it is important for you and the entire sector.

### **Training**

- Access to daily training that helps you develop and maintain your technical and physical capacity.
- Specially adapted training facilities for circus artists.
- Highly subsidized training costs. The training card is also valid at all locations where Cirkuscentrum offers daily training. Membership fees enable us to continue operating and seeking funding from the Swedish Arts Council to subsidize circus artists' training.

### **Artistic and skill development**

- Free workshops, masterclasses, and courses that enhance your skills and expand your artistic toolkit.
- Opportunity to apply for residencies offered by Cirkuscentrum with its partners.

### **Support and advice**

Access to expertise and resources that support your artistic and professional development, such as individual production and communication support.

### **Promotion and visibility**

Cirkuscentrum help you get seen by programmers and organizers. Membership increases your chances of getting engagements through Cirkuscentrum's network and platforms. Cirkuscentrum highlights circus artists, companies, and performances in meetings, presentations, newsletters, on its website, and in social media.

### **Sector meetings**

Cirkuscentrum organizes industry and networking meetings for actors within the circus sector.

### **Benefits for the sector**

Cirkuscentrum works to improve working conditions and infrastructure for circus artists in Sweden. By being a member, you support our efforts for a better working environment and fair conditions.

Cirkuscentrum är en nationell ideell förening och expertinstans som förmedlar cirkus, stöttar konstnärlig utveckling, erbjuder daglig träning och kompetensutveckling samt strävar efter att förbättra arbetsvillkoren och infrastrukturen för professionella cirkuskonstnärer.
